

# LEAVE YOUR LEGACY AT ST. CHARLES NORTH HIGH SCHOOL!!!

In the center of the St. Charles North High School campus there is a beautiful courtyard. This patio area is connected to the school by walkways that are used by all students and faculty to travel between classes and enjoy the outdoors. We have enjoyed this area for three years and are amazed by the transformations that have taken place.

The Buy A Brick funds have gone beyond beautifying our courtyard. Resources allow the visions of our students, staff and community members to take shape. Money raised from our Buy A Brick campaign has funded such projects as **courtyard** landscaping, a **tree** wind-break south of the stadium, student **tile mural**, entryway **bricks, benches & picnic tables**, Student recognition **picture rails, sofas & end tables**, student information **display case, landscaping** and more.

Each family has the opportunity to purchase an engraved brick that will be placed in our courtyard. The brick can hold your son's/daughter's name, their accomplishments, activities and/or their year of graduation from St. Charles North High School. The courtyard of St. Charles North High School will be a path of permanent reminders for all those who participate.

Please **PRINT** only one character (letter, punctuation, number or space) per block. Enter name **EXACTLY** as you wish it to appear. Engravings will be centered. Each line consists of 15 characters. **Keep in mind there is a three-line maximum per brick.**

1 line - \$35.00

2 lines - \$50.00

3 lines - \$75.00

Please bring your check, made payable to SCNHS and this sheet to St. Charles North High School in an envelope marked **Buy A Brick** or mail to:
